

If you need help outside your lab session

You can ...

- drop by during any other lab sessions
 - See lab schedule on our course web site (*Instructor and TA's* link)
- attend the instructor and/or TA's office hours
 - See office hour schedule on our course web site (*Instructor and TA's* link)
- drop in to **CS Peer Tutoring sessions**
 - CS Peer Tutors are CS undergraduate students (volunteers) very keen to give us a hand with CMPT 127 this semester
 - For schedule and location, see the link [Peer Tutoring session schedule](#) on our course web site
